

Dear business owner or manager,

As a member of Chicago Volleyball Club, I have an opportunity to attend the USA Volleyball Boys' National Championships in Austin, Texas on July 2-5. Each member of the team put a great deal of energy and hard work into qualifying to be one of 36 teams playing at the highest level of club volleyball. In order to represent our club and region, each player needs to raise \$1200 to cover transportation, accommodations, and admission to the Championships. Any amount you can donate will be greatly appreciated. Contact CVC if you have any questions.
